late Fellow of
Oriental Coll., Oxford.

Done into Latin by
Rev. G. B. MORLEY, M. A.
Fellow of S. Cath. Coll., Cambridge,
late Assistant Master, Bradfield.

Parvula radice crescit,
Arbor ingens; tale surgat,
Parva linquens, magna quærens,
Andreae Collegium.

Structa arena dat ruinam,
Structa saxo stabit ædes;
Sic in omnes duret annos
Andreae Collegium.

Si qua discors urbs, peribit;
Si qua concors, permanebit;
Sic voluntas una ducat
Andreae Collegium.

Quidquid astus, fraude dempta,
Insit angui, quantum amoris
In columba, juncta servant
Andreae Collegium.

Diligens formica, cœlo
Creditur dum lux sereno,
Ferre dextram præmonebit
Andreae Collegium.

Paululum si nox obumbret,
Crede! pleno sol renascens
Orbe mox illuminabit
Andreae Collegium.

Martyris crux castra signet,
Spiritus divinus afflet,
Trinitas ter sancta præsit

LINES WRITTEN BY REV. J. KEBLE IN 1859 ON THE WEST
WINDOW OF THE COLLEGE DINING HALL.

'In the Sweat of thy face shalt thou eat Bread.'

When Adam his first Sunday kept,
It dawn'd on Work and not on Rest,
Yet when he laid him down and slept,
No travail sore his soul opprest;
Work, easy as an Angel's flight,
Brought slumber, as an Infant's, light.

Upon the ground he casts him now,
The ground accursed for his sake,
The chill damps on his weary brow,
And even in sleep his heart will ache,
If to his fellow man he call,
There is the curse of Babel's wall.

But thou the Lord's new Eden seek,
The Garden mount where olives grow;
There prostrate lies a Sufferer meek;
Go bathe thee in His Sweat,—and lo!
Thou, as at first, shalt rise renew'd;
For Jesus' Sweat is healing Blood.

Thy Work a blessed Pastime then
Shall prove,—thy Rest a sacred Song;
The Babel cries of scatter'd men
Attun'd to anthems pure and strong;
The Treasures of King Solomon
For holy Church redeem'd and won.

THE FOUNDATION OF BRADFIELD.

ST. ANDREW'S COLLEGE, BRADFIELD, was founded by the late Rev. THOMAS STEVENS, M.A., Rector of Bradfield, and was first opened as a School in January, 1850, and by Deed of Settlement, bearing date 16th May, 1859, was made a Perpetual Foundation 'for the encouragement of religious and useful learning, and for the careful education of Boys, as loving children of the Church of England'; and at the same time and place the freehold site with the College buildings and playfields, containing 13 . 1 . 0 acres were granted and conveyed by the Founder to the Right Honourable GEORGE WILLIAM LYTTLETON; the Right Honourable WILLIAM EWART GLADSTONE, D.C.L.; Sir WILLIAM HEATHCOTE, Baronet, D.C.L., Members of Parliament for the University of Oxford; Sir FREDERIC ROGERS, Baronet; THOMAS DYKE ACLAND, Esquire, D.C.L.; WILLIAM MOUNT, Esquire; GOLDWIN SMITH, Regius Professor of Modern History, and Fellow of University College, in the University of Oxford, Esquire; the Rev. JAMES ELWIN MILLARD, Fellow of St. Mary Magdalen College, Oxford; ARTHUR POWELL, Esquire; GEORGE HENRY DREW, Esquire; and WILLIAM FORD, Esquire; to be held by them and their successors for ever, in trust for the purposes aforesaid.

In 1862 A ROYAL CHARTER was obtained, by which the original intention of the Founder, and the Statutes given by him for securing its fulfilment, were 'ratified and confirmed.' And by the said Charter, among other things, it was 'granted, constituted, and appointed as follows, that is to say:—That the School which has been hitherto carried on under the provisions of the Indenture of the 16th May, 1859, and the Statutes therein referred to, shall hereafter be carried on, and shall be called or known by the name of Saint Andrew's College, Bradfield,' and that 'the persons who at the date of this Our Charter shall fill the respective Offices of Warden and Trustees of the said School, pursuant to the provisions of the said Indenture of the 16th day of May, 1859, and the said Statutes, and such persons as shall from time to time thereafter fill the respective Offices of Warden and Trustees pursuant to the said provisions, shall be and they are hereby constituted one body politic and corporate, by the name of the Warden and Council of Saint Andrew's College, Bradfield.'

NOTES OF INTEREST TO OLD BOYS.

The Official Jubilee.

IN the last edition of the Register reference was made to the Jubilee of 1900, during which was celebrated the Anniversary of the Birth of the School in 1850.

Until 1859, however, St. Andrew's College, as it was then called, was only a private School.

On May 16th, 1859, when the College had existed for the short period of nine years, the Founder, encouraged by the success of his work, was stirred to emulate the benefactions of the Founders of the fourteenth and fifteenth centuries, and by a Deed of Gift on his fiftieth birthday handed over the Buildings and Lands as they then existed to the Corporate Body, henceforth to be known as 'The Warden and Council.' It will be the fiftieth Anniversary of this Conveyance (which will be also the hundredth Anniversary of the Founder's birth) that we are called upon to commemorate on Sunday, May 16th, 1909.

East Window.

To celebrate this occasion, it has been proposed to raise subscriptions among O.B.B., to put a stained glass window in the East End of the Chapel. At the time of going to press these subscriptions have reached the sum of £385, and as the window is estimated to cost £400, the order has been given to the designer to go on with the work, which will be finished and erected by the time of the Jubilee.

Messrs. Powell & Sons, of Whitefriars, who have designed all the other windows, have the work in hand.

The subject selected is 'The Resurrection.'

It is also proposed that the two stone panels flanking the East Window should be filled with Mosaics by the same firm, and that the surplus funds (if any) from the donations to the several Lights should be devoted to this object. The subjects of the Mosaics will be two scenes connected with designs of the Window, i.e. the Appearances of Our Lord after His Resurrection.

There will be Special Services in Chapel on May 16th, 1909,

the Preacher being the Right Reverend the Bishop of Exeter (No. 340 in Register). All Subscribers will be invited.

In this connection it may be of interest to know that all the side windows in the Chancel (besides one in the Nave) have been erected in memory of Old Bradfield Boys since the publication of the last Register.

The list is as follows :—

‘St. John the Baptist with the Holy Family,’ erected in memory of J. C. Hunter (No. 1479), who died in India in 1904.

‘Christ in the Workshop,’ erected (as was also the window of St. Andrew in the Nave) in memory of Blackall Simonds (No. 1), who died in February, 1905.

‘The Presentation of Christ in the Temple,’ erected in memory of Captain Leetham (No. 745), who died in November, 1906.

‘Christ in the Temple with the Doctors,’ erected in memory of A. L. S. Sellon (No. 1056), who died in October, 1907.

The Completed Chapel.

For the benefit of those O.B.B. who are abroad, or who are otherwise out of touch with College developments, it may be necessary to record the fact, which is almost universally known, that our Chapel was completed in the interval between 1903 and 1908, by the addition of a Chancel, part of the Nave, and the Tower. The whole cost of the Chapel has been about £13,000, part of which was defrayed by public subscriptions among O.B.B. and other friends, and part by the allocation (to the amount of £2,000) of funds in the hands of the Council.

Now that it has been completed, the beauty of its proportions have been brought out, and the School may be proud of possessing a Chapel worthy of itself, and second to none of modern date in architectural interest.

Obituary.

Since the issue of the Register of 1903 we have had to lament the death (referred to above) of Mr. Blackall Simonds, the first Boy who entered the School in 1850.

Mr. Simonds was always a devoted son and friend of the College. He acquired land in the neighbourhood, from the estate of the Founder, soon after the resignation of the latter

in the early summer of 1881, when the present Warden, then a very young man, had been Head Master for a year only. Mr. Simonds' interests were therefore bound up very closely with the destinies of the College, and no one rejoiced more than himself at its increased and increasing prosperity which lasted (as it still continues) up to his death in 1905. Mr. Simonds rebuilt and beautified a small cottage opposite the College Gates, and therefore almost lived in our midst. He was foremost in every good work, and no building or development took place without its bringing Mr. Simonds into active co-operation. He had a large share in helping forward by generosity and counsel the completion of the Chapel, and he was far-sighted enough to see (and not to repine) that the time-honoured connection between Parish and College had disappeared with the resignation by the Founder of the double office of Warden and Rector. He saw as fully as others that henceforth the two offices must be inevitably distinct, and that the erection of the Chapel followed logically from that separation, the Living having passed away from the Stevens family.

Mr. Henry Stevens (No. 106), eldest son of the Founder, was laid to his rest in the Parish Church, in March, 1907.

Mr. Henry Stevens after leaving the School in 1867, entered Trinity College, Cambridge, where he took his B.A. Degree in 1872. He was called to the Bar, and entered the Inner Temple in 1873. He then entered the service of the Government, and became consecutively Assistant Inspector (1879) and General Inspector (1890) of the Local Government Board.

Three tragedies mark the interval between the publication of the Register of 1903 and that of 1908.

Adrian and Alastair Kinloch (No. 1983 and 1984), twin brothers, were returning to College in January, 1905, when they were simultaneously killed in an accident to the Midland Express.

R. F. Hanna (No. 999) met his death in a Continental Express, on his way to India, by the fall of an iron girder.

W. T. McC. Caulfeild (No. 1275) was one of two ill-fated officers of the Royal Engineers who were drowned in the War-Balloon accident in May, 1907.

Obituary (*contd.*) The following deaths of O.B.B. have been notified since the publication of the last Register as having occurred before or after 1903* :—

The Rev. H. W. Pullen, once an Assistant Master at the School, and the Author of 'Dame Europa's School' and other works, died in 1904.

We have to lament also the loss in September, 1908, of Sergeant-Major Scudamore, a faithful servant of College, who succeeded the late Sergeant-Major Belton as Instructor in 1900. Sergeant-Major Scudamore had been Instructor at Sandhurst before coming to Bradfield. He was an excellent 'Shot' and Instructor, and on more than one occasion very nearly led the Bradfield VIII to victory at Bisley in the competition for the Ashburton Shield. Out of sixty-three schools competing, we were second in 1908, the last year of his life.

The Members of the Council (to go further afield) have always had to deplore losses in their ranks from time to time. The list during 1903—08 has been unusually heavy.

The Right Hon. C. T. Ritchie, M.P. (afterwards Lord Ritchie), consecutively Secretary to the Admiralty, President of the Local Government Board, Home Secretary, and Chancellor of the Exchequer, died in January, 1906. His loss was in some respects irreparable to the Council, and specially to our Warden, whose chief friend he was: to his political influence and personal interest the College owes more than can be well estimated or repaired.

Mr. G. H. Drew, another, and the only original Member of the Council then living, also went to his rest in 1906, at a ripe old age.

A third loss was experienced by the death soon afterwards of Mr. W. G. Mount, of Wasing Place, Reading, whose place however is now worthily filled by his son.

Mr. J. C. Pinniger, who acted as Clerk of the Council for thirty years, died in 1907.

New Members of the Council.

The ranks of the Council have been strengthened on the other hand during the interval under survey by the adhesion of the Rev. E. S. Roberts, Master of Gonville and Caius College, Cambridge, of Mr. Martin J. Sutton, of Mr. R. B. D. Acland, K.C., and of Canon Beeching, the last-named in succession to the Bishop of Reading, who has retired through old age.

Vice-Admiral Sir Francis Powell, K.C.M.G. (No. 159) has also taken the place of his eldest brother, Mr. A. C. Powell, and Mr. W. A. Mount that of his father.

Mr. Owen M. Powell (No. 570), a Member of the Firm of Messrs. Longbourne, Stevens & Powell, of 7 Lincoln's Inn Fields, has succeeded Mr. Pinniger as Clerk of the Council.

The last two losses we have to deplore are those connected with the staff, viz.

- (1) Mr. Martin Jacoby, the popular Violin Master, whose appearance at our annual Concerts was always a joy and delight to his audience, and who died very suddenly on Christmas Eve, 1907.

(2) Major Thring, R.A., who acted as Bursar of the College 1898-99, and who died in 1906.

Changes on
the Staff.

Naturally in a School of over 300, where there are 28 Masters and only a few Boarding Houses, it is inevitable that the changes in the *personnel* of the Staff should be neither few nor infrequent. It is impossible therefore to allude to all, but the departure of some old friends of the College deserves special notice.

Mr. J. Watt, a Science Master in College of old standing, was tempted away from us by ampler opportunities for the development of his varied talents in the Summer of 1903, and occupies now an important position at the Royal Naval College, Osborne.

Harrow School has captured the services of another old friend, Mr. W. E. Freeborn, Mathematical Master; while Herr Ulrich left us among many regrets to take a responsible post at Dulwich College.

The Rev. A. E. Crawley, to whose brilliant teaching the Sixth Form owed much, has been promoted to the Head-Mastership of Derby School.

The latest, but by no means the least, loss to the College we have to lament is that of Mr. F. M. Ingram, who for exactly twenty years filled a place in the Bradfield world, which it is in manifold ways hard to supply. Of conspicuous and indefatigable energy as a Form Master, it was perhaps as Captain of the Rifle Corps that he has played the most striking part in the well-being of the College. The high reputation which our Corps enjoyed among the other Public Schools of England, in Camp, at Bisley, and on Field Days, was very largely due to his self-sacrificing and continuing efforts on its behalf. He created out of the small handful of soldiers, consisting of 50 or 60 only whom he took over in 1889, a Corps of two Companies which in general bearing and efficiency is second to none among Public Schools. Under his skilful generalship we have twice been winners of the Ashburton Shield, four times second, three times third, and three times fourth. His promotion to a House Mastership and to the Captaincy of the Corps

at Shrewsbury is an honour more than well deserved for his self-denying services to Bradfield, and we congratulate that great School in the West that it has been the gainer by our loss.

Major Ingram has been succeeded by an O.B.B., Captain W. T. Wyndowe (No. 1077), late Captain in the Northamptonshire Regiment, an officer of the Regular Forces who has seen Foreign Service, and who comes to us with the best auguries for the continued success and development of the Corps under his control.

In this connection it may be mentioned that the Rev. S. J. Rowton, who came to Bradfield in 1901 as Organist and Choir Master, has left, having found congenial work in other musical spheres. He has been succeeded in his post by Mr. E. Bayliss, M.A., late of Queen's College, Oxford.

Distinctions.

Since the publication of the 1903 Register we have to record several noteworthy distinctions gained by Old Bradfield Boys.

Lieutenant-General F. Walter Kitchener, C.B. (No. 496), has been appointed Governor of Bermuda.

Z. N. Brooks (No. 1457) after a brilliant career at Cambridge, during which he swept off as many Scholarships and Prizes as he could conveniently carry, has been elected Fellow of Gonville and Caius College. *Quid plura memorem?* The list of those who have done credit to themselves and to their Old School is too long to be reproduced here, and it remains only to affirm that Bradfield College need not be ashamed of her *alumni*.

Drawing Honours.

Bradfield College, under the skilful lead of Mr. C. Hay Campbell, has consistently stood since 1903 at the head of the Public Schools in gaining medals and prizes for exhibition of Drawings and Paintings awarded by the Royal Drawing Society of Great Britain, our successes surpassing those of the next Public School in order of merit by nearly 2 to 1.

The Headmaster of Clifton.

Finally it may be of interest to note that the Reverend A. A. David, M.A., formerly Assistant to the Warden in

his work of the Sixth Form from 1890-2, and afterwards successively Master at Rugby, and Dean and Junior Bursar of Queen's College, Oxford, has been appointed Headmaster of Clifton College.

**Officers'
Training
Corps.**

During the current year Mr. Haldane's scheme for establishing Officers' Training Corps throughout the Public Schools of the Kingdom has been brought into operation, and the Bradfield College Corps has been one of the first to take advantage of the scheme.

The Warden, being the Chairman of the Military Training Committee (now National Defence Committee) of the Incorporated Association of Headmasters, has been in touch with the War Office Authorities in the matter, and has suggested certain developments—notably, the registration of Old Boys in the Rifle Corps after they leave their Public School and embark on careers elsewhere in the United Kingdom.

Shooting.

Shooting has been made universal throughout the School, whether boys are in the Corps or not. Two Sub-Targets (an ingenious American invention) costing £50 each, have been presented to the School, one by the Parents, the other by the Warden, and boys up to a certain standing in the School are allowed one hour per week during School hours for practice at the Targets. It is needless to say that the scheme has proved very popular.

The School has also competed in the Empire Shooting Matches, i. e., Matches open to all the Schools of the Empire, and our teams have invariably acquitted themselves well.

**New Cricket
Field.**

A New Cricket Field of eight acres on the other side of the Pang was purchased in 1905 by the Warden and Council at the cost of £480, and levelling, &c., has been carried out at a cost to the Tuck Shop of something like £1500.

This field will be formally opened in the Cricket Season of 1909, and one or two matches will be played, though it will not be ready for general cricket until 1910. It is confidently expected that the field will turn out to be one of

the best cricket fields in the county, if not in the south of England. Mr. Andrew Low is principally responsible for the successful carrying out of the project, and to his indefatigable and enthusiastic perseverance and skill the thanks of the whole Bradfield community are due for this accession to the common enjoyment. It is a cricket field worthy of the School.

Old Boys' Club.

At a General Meeting of the Old Boys' Club held on Nov. 30, it was agreed that the O.B.B. dinner should in future be held at the discretion of the General Committee instead of every year as heretofore; the hope and expectation being that, as the gatherings are less frequent, when they do occur they will present more attractions and become greater functions than hitherto. The members of the Club number (in November, 1908) 442 as against 346 in 1903. Mr. G. M. Clark, Bradfield College, Berks, is the Hon. Sec. of the Club.

Old Boys' Football Club.

Since the publication of the last Register, F. P. Grant, who for some years acted as the Secretary of the Football Club, has resigned. His place has been taken by A. R. Wathen, who hopes to be able to increase again the fixture list, which of late years has been curtailed owing to a lack of support.

For the last few years the Club has entered for the 'Arthur Dunn' Challenge Cup.

The present Secretary's address is A. R. Wathen, Esq., 52, Eaton Place, Brighton.

Home Mission.

The Rev. H. Norden, Vicar of St. Chrysostom's, Peckham, the scene of the Bradfield College Home Mission, resigned in September, 1906, and was succeeded by the Rev. R. S. Williams, late Vicar of Sompting, Sussex.

The Mission is still being supported by separate contributions by past and by present members of the School, and from these two sources the College supplies about £160 towards the expenses of the Mission. The fund is allocated in various directions.

Mr. A. D. Hill, 212 Cromwell Road (No. 194), is still kindly acting as the Secretary of the Old Boys' Mission Fund.

Greek Play.

Since the publication of the last Register two Greek Plays

have been performed in the Open Air Theatre—the Alcestis of Euripides in 1904, and the Antigone of Sophocles in 1907. About 8,000 Visitors attended the representations in each of the two years named.

The Play for June, 1910, will be the Agamemnon of Aeschylus.

BRADFIELD COLLEGE,

BERKS,

February, 1909.

DEAR SIR,

I am sending this circular to all O.B.B. who are not Members of the Club, as it has been suggested that many, who have not already joined, might like to do so.

The object of the Club is:—

- (a) To keep up School associations.
- (b) To promote friendly intercourse between different generations of old Bradfield Boys.
- (c) Generally to further the interests of prosperity of the College, and of its Members past and present, and more especially to aid and develop the following objects:—
 - 1.—The Old Boys' Cricket and Football Matches, and an Old Boys' Shooting Team at the Annual Meeting of the National Rifle Association.
 - 2.—The Dinner.
 - 3.—Missions and other School Charities.
 - 4.—Organizations of any character which may appear desirable for the well-being of the School.

The Annual Subscription to the Club is 10/6, payable in advance, which becomes due on the First of September in each year. A Subscriber may become a Life Member on payment of:—

- (i) Ten years Annual Subscription:
- or (ii) The difference between the sum which he has already paid and £5 5s.:
- or (iii) £3 3s. at any time.

Each Member receives regularly the School Chronicle, and is entitled to receive the Register on application. The Warden has kindly consented to send special invitations to O.B.B. who

are Members of the Club, for Luncheon and Dinner on the occasion of the O.B.B. Cricket and Football Matches against the School.

A Public Schools' Club is being started in Town at a moderate Subscription, and forms for application for Membership are being sent to those Old Boys who are Members of their own Old Boys' Clubs.

If you would care to join the Bradfield Club, would you fill in the enclosed form and return it to me at your earliest convenience.

I remain,

Yours truly,

G. M. CLARK,

Hon. Sec., Bradfield (College) Club.

BRADFIELD COLLEGE,

BERKS,

February, 1909.

DEAR SIR,

I am sending this circular to inform you that the General Committee of the Bradfield (College) Club has arranged that the Old Bradfield Boys' Dinner should take place on the evening of Monday, May 17th (one day after the 100th Anniversary of the Founder's birth) at the Whitehall Rooms of the Hotel Metropole.

This particular Dinner being of unusual interest, it has been decided by the General Committee to invite Members of the Council, former Headmasters, and some former Assistant Masters.

It has been suggested also that it might make the Dinner more attractive if it were made more certain beforehand that O.B.B. would meet their contemporaries, and that there would be no gaps in the generations. Would you therefore put down on the accompanying post card a few names of those friends near whom you would like to sit at the Dinner, *and, if possible, would you write to them yourself at an early date signifying your intention of being present at the Dinner, and assuring them that they would find themselves near you if they came.*

If the Dinner Committee could collect sufficient of these assurances, they could make a plan of the table before the date of the Dinner, so far at any rate as regards those who have signified to me their intention and the intention of their friends to come. There would be also some unmarked seats for those who might be unable to decide until a later date.

To avoid, however, the breakdown of any organization of this kind, it would be necessary for O.B.B. to give in their names at an early date *as more or less certain to attend.* If I could

collect a hundred or more of such names *by the middle of March*, I would then remind them again by circular before our Term ends (*i.e.* about March 25th) of the date and place of the dinner, and perhaps print the names of those who up to that date had signified their intention of being present.

I append a list of the Stewards, all of whom have already promised the General Committee to come, if possible.

I remain,

Yours truly,

G. M. CLARK,

Hon. Sec. Bradfield (College) Club.
